

Mounts Bay Sailing Club

Mirror Open Day Huge Success

The “Try a Mirror” open day held on Saturday 9th June was a huge success, with some ten Mirrors on the water. Perfect conditions allowed more than 40 people to take advantage and be introduced to sailing. Some returned to have second and third goes, meaning over 60 trips in all. Many thanks to all who had organised the day, in particular to the sailors for turning up and showing off their craft (in both boat and skills) and last but not least, the safety boat crews.

The club now hopes that the enthusiasm generated will result in new members and active sailing in future the club events. Anyone wishing to take part in club racing Tuesdays, Fridays (6pm for 7pm start) or Sundays (9am for 10am start) contact Gary at pr@mbsc.org.uk and we'll get you started.

On Sunday 10 June a Mirror South West Traveller Series took place with 7 Mirrors travelling from as far away as Plymouth. A Laser open was also held with 15 Lasers taking part. Four Enterprises also took part in their open on the same day.

Last Tuesday's club racing fell foul of light winds, persuading some of the younger members to abandon the race in favour of a “Pirates of the Caribbean” tribute, boarding each other's boats! Dave Johnson recorded his first Laser win in the Tuesday/Friday series, as did Martin Scott for the Handicap fleet in his Solo. In addition, John Beasley and Maisy MacIntosh let Jimmy and Duncan know they were no pushover in their Enterprises. Only two Ospreys made it to the water, with Barrie and Matt taking line honours over Patrick Tatham and Anthony Greet.

Alas, Friday's sailing suffered a worse fate with the race abandoned just in time for the wind to turn up. That's just the way it works sometimes!! Some sailors used the opportunity to practice their manoeuvres instead.

Results week ending Sunday 10 June 2007
